What Is An ACTUARY

"Actuary" means a person qualified to calculate financial and commercial impact and valuation of uncertainty and risk of future events by using advanced techniques and models based on future scenarios under the following situations :

- FINANCIAL
- ECONOMIC
- SOCIAL
- DEMOGRAPHIC
- TECHNOLOGY
- PROBABILISTIC

What does an ACTUARY DO

Actuaries are professionals skilled in evaluating the financial consequences of uncertain future events. They utilize data science and analytics to create financial models that predict risks and uncertainties based on past trends and future forecasts. Primarily working in the insurance sector, actuaries are crucial in designing products, pricing, managing assets and liabilities, and conducting research. Their expertise also extends to pensions, annuities, employee benefits, social security, and investment valuations. Moreover, actuarial skills are increasingly applied in other industries for risk management, cyber risk assessment, climate risk management, and more. Actuaries hold key statutory roles globally in managing long-term financial projects, ensuring they blend professional rigour with strategic solutions for complex issues. Ethically, they are committed to public welfare, upholding high integrity standards to protect the financial promises of insurance and pension schemes.

Who Can Become An ACTUARY

By virtue of the role of an Actuary as a multi-skilled professional in core areas of financial risk and uncertainty, a candidate with strong skills in Mathematics, Statistics, Data Analytics and Finance with good analytical skills, logical reasoning coupled with willingness to put hard work continuously to learn and pass all subjects of actuarial examinations can be an ideal candidate.

ELIGIBILITY CRITERIA

IFoA

- Students who have completed 10+2 are eligible
- Students who are in intermediate college are also eligible
- Students can register for CM1 or CS1 (Any 1) without an IFoA membership. To appear for subsequent exams you must obtain IFoA membership.

IAI

ACET Route :

Any candidate who has appeared for :

- 10+2 or an equivalent examination and waiting for the result.

Can apply for ACET exam and once you clear the same you can sit for further Actuarial papers.

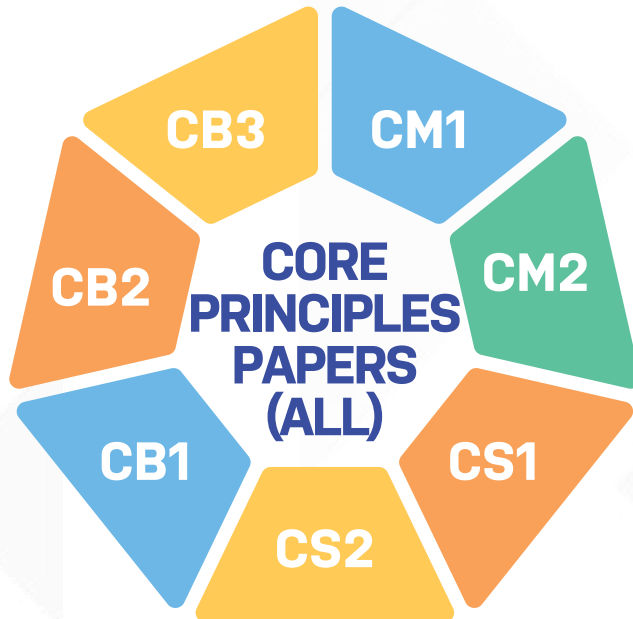

Non-ACET Route :

The Institute has enhanced the criteria for IAI Student Membership and the following qualifications are considered in lieu of the ACET Examination :

- Fully qualified members of the Institute of Chartered Accountants of India, Institute of Cost Accountants of India and Institute of Company Secretaries of India
- MBA in Finance (Minimum 60% or equivalent grade)
- IIM Graduate

Choosing between

IAI and IFoA

BASIS	IAI	IFoA
Recognition	The IAI is based in India but its qualifications are recognised globally.	The IFoA is based internationally and is also globally recognised.
Fees	It provides a more budget-friendly option for actuarial exams, with fees typically being approx ₹5000 less per exam compared to IFoA.	It has higher examination fees compared to the IAI.
Entrance Exam	Entry into the IAI's examination process requires passing the Actuarial Common Entrance Test (ACET). This entrance exam is mandatory.	It does not require a compulsory entrance exam to begin with actuarial science papers.
Exam Passing Percentage	The exam passing percentage is 50%	The exam passing percentage is approximately 55%-60%

Why

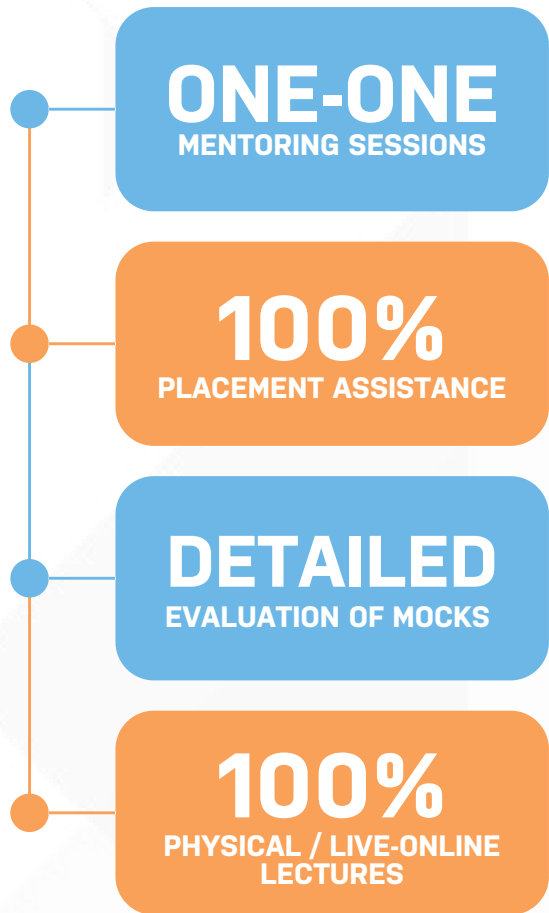

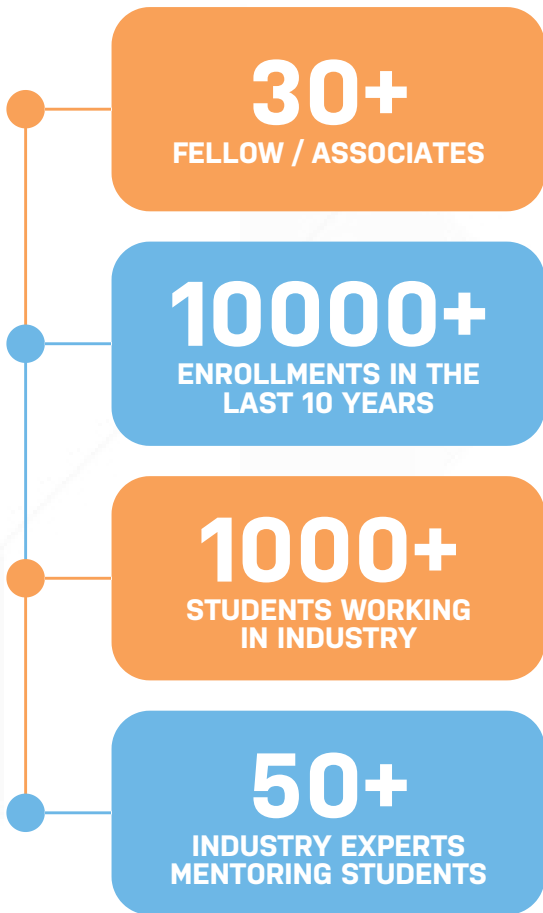

AEI

Founded in 2015, the journey of Actuators Educational Institute began with utmost focus, passion and determination. Today, we proudly stand as one of India's No. 1 Actuarial Training centre.

Starting from home teaching, today Actuators has a student base all across the globe. We provide 100% Placement assistance for our in-house students as well as students outside AEI. With strong corporate tie-ups and various successful placements in some of the best companies showing us tremendous growth, we recently started a HR Services company, for hassle-free experience and development of the students. Led by Praveen sir, whose genuine concern and love for students drive a 360-degree development approach, we are not just instructors – we are mentors for life. We are now a team of 50+ mentors who have trained 3000+ students in the year 2023. Recognized as India's favorite Actuarial Institution, AEI provides unwavering support with dedication to our student's success.

AEI is committed to improving the quality of life of students through our 6 main pillars:

Deliverables for

FULL COURSE

- Full Course pre-recorded updated lectures are given at the time of admission.
- Course program are conducted in blended format i.e. recorded plus live classes. Live classes are conducted by both subject faculty and industry experts. Please kindly see the details for live classes.
- Weekend Practice & Doubt Sessions taken by industry experts.
- Recordings of live classes conducted by subject faculty only are uploaded within 24- 48 hours
- Hardcopies of past year papers & summary notes will be delivered in 7-10 working days for students outside Kolkata & Kolkata students have to collect from our center.
- Exclusive AEI QForum Access :
 - Q&A discussion forums & chapter-wise MCQ banks
 - Mock tests following the exam pattern with detailed evaluation & comprehensive feedback. (2 sets for CM, CS & CB & 1 set for CP & SP papers)
 - Soft copy of relevant materials and class notes
 - Personalized 1:1 mentoring sessions for CM, CS & CB papers
 - Technical Support
- Weekly Class timetable updates and announcements related to IFOA/IAI are shared on AEI QForum.
- Bridge classes available for all students for the subject mathematics & statistics.
- Benefit from 100% placement assistance after clearing minimum of 5-6 papers as an in-house student.
- Pass Guarantee Courses with a nominal fee of ₹1000 per term for extension after exam term if not appeared or not cleared. (extension is allowed only for two consecutive terms & for ACET only once.)
- The video lectures are accessible on only one device.

Deliverables for

RECORDED COURSE

- Full Course pre-recorded updated lectures are given at the time of admission.
- Exclusive AEI QForum Access :
 - Chapter-wise MCQ banks
 - Mock tests following the exam pattern but these test will not be reviewed or receive feedback. (2 sets for CM, CS & CB & 1 set for CP & SP papers)
 - Soft copy of relevant materials and class notes
 - Technical Support
- Bridge classes available for all students for the subject mathematics & statistics.
- Benefit from 100% placement assistance after clearing minimum of 5-6 papers as an in-house student.
- You will get access to recorded lecture for a duration of 6 months.
- There is no extension or renewal of the course after 6 months.
- The video lectures are accessible on only one device.

Notes :

1. Fees is not refundable in any circumstances
2. For plagiarism, we don't take any responsibility

RECRUITMENTS

Not only does Actuators Educational Institute provides training, mentoring and guidance to students in the field of Actuarial Science but it has recently started it's own in-house placement assistance. The AEI Placement Committee consists of 10 members who are devoted to create a link between corporate houses and Actuarial freshers by providing them with the best job opportunities.

With our global student base and multinational connections we are providing opportunities to students at the top companies. We are exclusively getting them industry-ready to work for the best companies with first-hand experience from industry experts. We conduct weekly sessions wherein experienced professionals share their valuable insights with fresher students.

GOOGLE REVIEWS

★★★★★ 7 months ago

As an actuarial aspirant, I was worried and confused- as when I started my journey I didn't know much about the profession. I then found out about AEI through google. My journey has been smooth ever since. Quality education, concept development and assistance in everything whether it be exam booking or preparation is provided by them. Both Praveen sir and Shivangee ma'am not only stress on the importance of passing but also on overall knowledge and concepts. Apart from academics they organise various workshops and sessions for our overall personal and professional development. All being said, I would strongly recommend Actuators to any aspirant. It's the go to place for actuarial science and I owe a significant part of my success to them.

Really good actuarial coaching provided by AEI, they cover everything, from building the base for the subject, introducing tough topics, motivating at the right time, the extra info they give, to making us exam ready with mocks

Their attitude really proves that they aren't here to make money but they are here to teach students and give knowledge

I'm studying for IFoA, and trust me it's the best you can get for actuaries from IFoA

One of the best Institutes to take Actuarial Coaching. They have Live Classes as well as Recorded Classes with classes for the Basic Concepts, Doubt Solving, Past Year Papers, Compiler Sums, Chapter wise Mock Papers, and Proper Exam Mock Papers as well. The only thing which we as a student has to do is BE CONSISTENT! Support from their side is amazing.

Aditi Bhavsar

1 review

Studying at AEI is an amazing experience. The way of teaching is great and it mainly focuses on the concept building which is very helpful and the faculty is always there for supporting and providing constant guidance to the students. It is one of the best institutes for students pursuing actuarial science.

Ankit Keshan

9 reviews · 4 photos

★★★★★ 6 months ago

They are professional, they provide value for money and they know what they are doing. Totally worth it, systematic, structured and optimized. If you need doubts also solved, always buy the full live version of course. However, they teach in a way you'll have minimum or no doubts already. One thing, don't go for it if you're not serious for your prep. Having basics and prerequisites cleared is a must. Lastly, if you buy a subject, don't worry, every aspect will be covered, be it assignments, paper A, paper B, mocks, whatever. Kudos to the team. Seedhi baat, no bakwas, and not at all time pass.

Edit 1: You won't usually get a discount, but in case there's an ongoing offer, don't miss it, you'll regret.

The best institute for actuarial science!

Praveen sir and Shivangee Mam are real gem. They would not hesitate to go an extra mile to do what's best for you. They will guide you through every step and motivate you to push your limits. Everyday practice sessions and regular doubt clearing sessions are held which ensures study discipline. Apart from the academics, the speaker sessions from qualified actuaries are really insightful and the workshops provides you a hands-on experience in your professional field. The overall learning experience is great.

best institute ever!

Praveen Sir and Shivangee Ma'am are the best mentors ever. They always have your backs no matter what. Even if you want to give up, they won't give up on you. I have been studying with them since 2 years now and not once have they not helped me when I was in need. They have multiple back up plans for you.

If you really want to achieve your goals, come to AEI ❤️

Being in Actuators since 2 years now and my personal experience has been really great.

From such experienced mentors to daily live updates on how to keep studying and how to keep up with the teachers, the way they motivate and they do not let your morale to go down ,especially Praveen Sir. The whole curriculum becomes so simple when the teachers explain and plans out everything for you and you just need to follow it.They also provide plan outs if you have upcoming exams and are unable to keep up with the live classes which i find to be the best.

Overall, one must take up coaching from AEI to experience wonderful and insightful way of education.

Meet Our TEAM

ANKIT PATWARI

Ankit Patwari is a qualified CA, CPA (US), and B.Com (Hons in Finance) from St. Xavier's College, Kolkata. He founded Balaji Educare and has been teaching since 2009. With over 15 years of experience, he has guided 10,000+ students in CA, CS, CMA, B.Com and BBA. He specialises in Actuarial paper CB1 and computerised accounting (TALLY) and is also a Google Certified Trainer. His expertise has led him to guest faculty positions at various educational institutes.

SHIVANGEE AGARWAL

Shivangee Agarwal is a Qualified Actuary with a Master's in Data and Business Analytics from IIM Indore. She secured All India Rank 1 in CT7 – Business Economics and holds a B.Com (Hons in Finance) from St. Xavier's College, Kolkata. Over 6+ years, she has taught 2500+ students in Actuarial and Data Analytics domain, becoming a favourite coach for CS2, CB2, CP2, and CP3 papers. She has expertise in Excel and R Programming. Her inspiring journey led her to conduct workshops and lectures at various colleges like Lady Shri Ram College, St. Xavier's College, SRCC, Mithibai College, IIM Indore and IBS Hyderabad.

VIVEK PATWARI

Vivek Patwari is a Qualified Chartered Accountant (CA) and Company Secretary (CS) with a Master's in Commerce and has cleared SET and UGC NET in Commerce with a 98.37 percentile. Known for his jolly approach, he has mentored 7000+ students in ACET, CA, CS, CMA, B.Com, and BBA. Currently a professor at Bhawanipur College, he specialises in Mathematics and Taxation. As Eastern India's first Google Certified Trainer, he is famous for his innovative calculator secrets. An author of 7 books, he has conducted successful Olympiads and seminars in Accountancy, Management, and Mathematics, and is also a motivational speaker.

PRAVEEN PATWARI

Praveen Patwari is a Qualified Chartered Accountant who has cleared 14 out of 15 Actuarial Science papers. He began teaching in high school and has trained 5000+ students. Known for his captivating attitude and intelligence, he has produced top scorers in Actuarial Science across India with 7 times AIR 1 in CM1. His journey demonstrates persistence, discipline, and deep knowledge, making him a sought-after speaker. He has delivered sessions at prestigious institutions like SRCC, Miranda House, Hansraj College, Lady Shri Ram, St. Xavier's College, BESC and Ramjas College.

PT

SCHOLARSHIP

Praveen Sir faced a lot of hardships in his student life but he didn't let that come in the way of his education. His determination and persistence inspired him and others around him to not let small malfunctions stop the entire working. Studying at St. Xavier's College, qualifying for tough CA examinations, clearing (14/15) Actuarial Papers, and establishing Actuators Educational Institute, the aim is that no student should leave studies because of financial reasons in the field of Actuaries, CA, CS, and CMA.

Pravesh Thakur, a bright mind who secured AIR 1 in CM1 unfortunately drowned in water and is not with us today. To keep his name alive in the Actuarial Fraternity and for the motive that money shouldn't stop students from studying, we started PT scholarship to provide financial aid in training and mentoring to needy students with good academic excellence. This is a need based scholarship and we will provide concessions in our tuition fees.

The following conditions are essential to claim PT Scholarship:

- Student has to clear that paper in one go
- Students with a non-earning single parent
- Students with no parents
- Students annual family income is less than 3,00,000 per annum

Once the student has been placed by AEI team the amount of concession granted to the student should be paid back from his/her salary which will be further allocated for scholarship of other students.

****All the documents will be checked thoroughly by various professionals. Any fraud or misrepresentation of truth by any students will result in severe consequences and strict action towards students.****
