ABOUT FRM

The Financial Risk Manager (FRM) certification is widely regarded as the benchmark in financial risk management. It equips professionals with the essential skills to assess, control, and mitigate financial risks effectively.

WHY FRM?

Financial Risk Management (FRM) professionals are currently in high demand worldwide. Obtaining this certification can unlock a variety of career opportunities in banks, investment firms, insurance companies, and consulting organizations. This is an excellent opportunity to gain valuable experience with top multinational corporations.

EXAM STRUCTURE

The Financial Risk Manager (FRM) exam consists of two parts:

- Part I (100 multiple-choice questions, 4 hours)
- Part II (80 multiple-choice questions, 4 hours)

ELIGIBILITY

Open to All Who Have Completed Grade 12
There are no formal educational or professional requirements.

Candidates need to pass Part II within 4 years of passing Part I

Submit your relevant professional experience within ten years of passing Part II
